Questions for Your Care Team

During your rehabilitation, you will have a lot of questions for your doctor or care team. Writing these questions down can help you remember what you wanted to ask. Some sample questions are provided for you below. Use the extra space to write your own questions as you think of them.

1. What is my level of injury?
2. What is my prognosis for recovery?
3. What are important goals for rehabilitation?
4. What is my discharge date?
